AASP/ NJ OSHA Compliance Program

Great News for our AASP New Jersey friends!
Complying with OSHA regulations just got easier with this new AASP/ NJ OSHA Compliance Program by American Compliance Systems (ACS). ACS has helped New Jersey AASP and has supported their needs to comply with OSHA requirements and fight OSHA penalties for many years.

In response to the webinars for AASP/ NJ members, ACS has put together an annual compliance program that AASP/ NJ members can use to "implement and maintain" a basic OSHA compliance program at their facility. The program includes:

- Company and state specific written plans required by OSHA (up to 6 plans) which includes forms, checklists and other helpful tools
- Training and unlimited use (up to 6 topics/ matching the plans) required by OSHA (online and or webinar)
- 800# Help Desk
- Online recordkeeping system
- Periodic alerts and bulletins

Plus, if you are inspected by OSHA, "ACS has your back".
The new AASP/ NJ OSHA Compliance Program provides OSHA inspection help and defense that includes:

- Review of penalties and citations
- Preparation of defense
- Working with AASP/ NJ members to formally alert OSHA area office and present defense
- Attendance at informal (conference call) to present defense to reduce fines and penalties

Special Pricing

Standard $1,200 per year
